PROFESSIONAL SUMMARY

Information Technology graduate with practical experience in Java Full Stack Development through internships and projects. Skilled in Java, Spring Boot, React.js, JavaScript, HTML, CSS, JDBC, and MySQL. Experienced in responsive web applications, REST API integration, authentication, database connectivity, and full-stack development. Seeking an entry-level Java Full Stack Developer role.

TECHNICAL SKILLS

Programming Languages: Java, JavaScript, SQL, Python

Backend: Java, Spring Boot, JDBC, REST APIs

Frontend: HTML5, CSS3, JavaScript, React.js, Bootstrap, Tailwind CSS

Database: MySQL

AI / Computer Vision: OpenCV, FaceNet

Tools: Git, GitHub, VS Code, Postman

PROJECTS

AI-Based Missing Person Identification System

- Developed an AI-powered web application using Java, Spring Boot, React.js, OpenCV, FaceNet, and MySQL.
- Implemented facial recognition to compare uploaded images with registered missing-person records.
- Added secure authentication, missing-person registration, image upload, REST API integration, and confidence-score results.

Bill Payment Management System

- Developed a full-stack bill payment application using Java, HTML, CSS, JavaScript, JDBC, and MySQL.
- Implemented user authentication, bill payment, transaction management, and MySQL database connectivity.
- Designed a responsive interface and performed testing and debugging to improve application reliability.

Employee Management System

- Developed a RESTful Employee Management System using Spring Boot and Java.
- Implemented CRUD operations to create, retrieve, update, and delete employee records.
- Used Spring Data JPA/Hibernate for database operations with MySQL.
- Designed and tested REST API endpoints using Postman.

Student CRUD Application

- Developed a CRUD application for student management with Create, Read, Update, and Delete operations and database connectivity.

INTERNSHIP EXPERIENCE

Retech Solution — Java Full Stack Intern | July 2025 – August 2025 | Tambaram, Chennai

- Developed full-stack application features using Java and contributed to the Bill Payment Management System.
- Worked on backend services, user interfaces, database connectivity, testing, and debugging.

Techmaghi — Web Development Intern | September 2024 | Kochi, Kerala

- Developed web application components using Python and gained practical experience in frontend development, testing, and debugging.

EDUCATION

B.Tech – Information Technology — M.A.M College of Engineering, Trichy | 2022 – 2026 | CGPA: 8.0/10

HSC — TGN Municipal Higher Secondary School, Mayiladuthurai | 2022 | 54%

SSLC — Mayura Matriculation School, Mayiladuthurai | 2020 | 70%

SOFT SKILLS & LANGUAGES

Soft Skills: Problem Solving, Adaptability, Communication, Team Collaboration, Time Management, Leadership

Languages: Tamil (Native), English (Professional Working Proficiency)
